January 28, 1903.

Mr. William Brewster,
145 Brattle Street,
Cambridge, Mass.

Dear Mr. Brewster:

I received the specimens of Dendroica coronata this morning and find that they agree entirely with my Alaskan birds in the same plumage. I am returning them today by registered mail. With thanks for your kindness, I am,

Yours very truly,

Wilfred H. Osgood.

Assistant Biologist.
